	members Phillip Gray, Ronald Robertson, Amanda Kennedy, Darryl Stone, Kylie Vaicurgis JG, JC unanimously accepted.		
<b>6</b>	<b>Measurement</b>		
	<p>19/11 No report.</p> <p>15/10 New committee see JN e-mail. Peter Vaicurgis, Brett Buckley appointed as new members to the committee. Don Jamieson, John Deshon and Paul Armstrong resigning from the Committee. John Nobbs proposed PT seconded.</p> <p>24/9 No report. Foils issue still requires resolution. RG some measurements on the form but not in the by-laws with several inconsistencies. UK Herons have much more detail in their class rules (by-laws) and the details in matched in their measurement form. Would be good to have recommended changes by November so that they are available prior to the Nationals even if not approved formally by then.</p> <p>RG Moved that; "The management committee direct, a review of measurement form and measurement related by -laws by the measurement committee with the objective of ensuring they are consistent, and consistent with current practice, without advantaging or disadvantaging any heron. Second JC Passed Unanimously.</p> <p>20/8 Report provided from Paul. RG concerned regarding centreboard and rudder profiles; measurement form is subservient to the by-laws. Committee has examined and found large variety of shapes not strictly to plan over the life of the Heron. Changes to the measurement form reflect measurements of a number of boats.</p>		
<b>7</b>	<b>Newsletter</b>		
	<p>15/10 Commended on quality on heron promotion generally.</p> <p>24/9 September Newsletter has gone out. Congratulations on quality of newsletter.</p>
